The transfer of the Headquarters of the KVP from Berlin to Strausberg Airfield was scheduled to begin after 28 April. Lieutenant Generals Karl-Heinz Hoffmann and Vincenz Mueller and Major General Wilhelm Mayer are among the headquarters personnel being transferred. The move is to be completed by 3 May.

Comment. While the entire project at Strausberg Airfield will not be completed before September 1954, the buildings of installation "Seehaus" were scheduled to be ready for occupation on 1 May 1954. It is therefore possible that certain sections of the KVP Department of the Ministry of Interior are now being transferred to Strausberg.
